Percent satisfied with school-home relations	20%	96.6%	62.6%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2012-2013 school year has been a very successful school year for Hunter-Kinard-Tyler Middle/High School. The school maintains a focus on increasing academic achievement, athletic and social excellence. Hunter-Kinard-Tyler High School was identified as a Palmetto Gold School based on the 2011-2012 general academic performance. In addition, HKT Middle School continues to increase achievement as we have seen three consecutive years of growth in regard to the absolute rating and is a participant in the Schools-To-Watch Initiative. In an effort to continue the improvement seen academically, we recognize that teachers have to have the opportunity to learn and to grow. Teachers participated in data teams at the district as well as the school level. We also had a team of teachers that participated in the Southern Regional Educational Board workshop on literacy. The SREB workshop and that team of teachers is being used to foster literacy across the curriculum at HKT. Finally, HKT teachers participated in an early release day each Tuesday to facilitate a continuous learning environment through professional development. Hunter-Kinard-Tyler also saw a very successful year athletically and socially. The 2012-2013 Trojan football team advanced to the Region 1A Upper State Championship Game for the first time in school history. Both of the basketball teams advanced to the playoffs and the baseball team showed a great deal of growth and promise under the direction of a new coach. Finally, the girls track team won the region for the 2012-2013 school year. Through PBIS and holding students accountable for behavior, socially an environment has been created that highlights the importance of appropriate behavior and academics. Students are participating in service opportunities in the community and in our elementary school. We look forward to increasing those opportunities for our students during the upcoming school year. Although 2012-2013 was a very successful school year, we are looking forward even more success for 2013-2014. Through our focus on academics and with the assistance of our entire learning community HKT will continue to be a pillar within our community. Ernest Holiday, Principal
Patricia Dangerfield, SIC Chair
